Epic 1: Art Creation and Personalization
Feature 1: AI Art Creation Tools
User Story 1: As an artist, I want access to a variety of AI art creation tools and algorithms to produce unique digital artworks.
User Story 2: As an art enthusiast, I want to explore AI art generation and customization options to create personalized pieces.

Epic 2: AI Art Discovery
Feature 1: AI Art Gallery
User Story 1: As an art enthusiast, I want to browse and discover AI-generated artworks in an online gallery with filters for different genres and styles.
User Story 2: As an artist, I want to showcase my AI-generated art in an online gallery to gain exposure.

Epic 3: Art Collecting and NFT Marketplace
Feature 1: Art Collecting and Trading
User Story 1: As an art collector, I want to acquire unique AI-generated art pieces and engage in trading within the platform.
User Story 2: As an artist, I want to mint and sell my AI art as NFTs, providing authenticity and ownership records to collectors.

Epic 4: Art Education and Collaboration
Feature 1: Art Education Resources
User Story 1: As an art student, I want access to AI art educational resources and tutorials.
User Story 2: As an educator, I want to incorporate AI art into the curriculum and facilitate collaborative AI art projects.
Industry Professionals:

Epic 5: Platform Curation and Promotion
Feature 1: Artwork Curation
User Story 1: As a curator, I want to curate and select AI art for featured collections and exhibitions on the platform.
User Story 2: As a gallery owner, I want to promote AI art exhibitions and events to a wider audience.
Feature 2: Marketing and Branding
User Story 1: As a business, I want to use AI art for branding and marketing campaigns to stand out and engage with the audience.

Epic 6: AI Art Critique and Journalism
Feature 1: Art Critique
User Story 1: As an art critic, I want to critique and review AI art, contributing to a critical discourse on AI-generated artworks.
User Story 2: As a journalist, I want to cover AI art developments and stories about artists and collectors.

Epic 7: Museum and Cultural Exploration
Feature 1: AI Art in Museums
User Story 1: As a museum professional, I want to explore the integration of AI art into exhibitions and cultural events.
Feature 2: Art Organizations and Collaborations
User Story 1: As an art organization, I want to explore collaborations with AI artists and AI-generated art projects.
Tech and AI Community:

Epic 8: AI Art Innovation and Experimentation
Feature 1: Developer and Researcher Access
User Story 1: As a developer, I want access to AI art APIs and developer tools for experimentation and innovation.
User Story 2: As an AI researcher, I want to experiment with AI art generation and research AI art algorithms.
Feature 2: Integration into Emerging Technologies
User Story 1: As an innovator, I want to explore integrating AI art into emerging technologies such as virtual reality and augmented reality.

Epic 9: AI Art Community and Support
Feature 1: AI Art Enthusiast Community
User Story 1: As an AI art enthusiast, I want to engage with a community of AI art fans to discuss, appreciate, and support AI art.
